Name: _____

Part 2: Creating a Shadow Play

1. Story Outline

Write a short outline of your shadow play story below. Your play should be about 1-2 minutes long and needs to include following components:

- a. At least one person or object that grows over time.
- b. At least one person or object that somehow shrinks.
- c. At least one person or object that suddenly disappears and reappears at another time.

Persons or objects in the story (puppets):

Story setting:
