STEM Careers

Student worksheet

Name: _____

Date: _____

Directions: Read the **Black History Month** blog post. Then answer the questions below.

1. Which of the scientists interested you most? Why?

2. Follow the biography link for the scientist you chose. Read the short biography and write 3 facts you think are interesting about his/her life.

3. Follow all of the career links for the scientist you chose. Which career sounds most interesting to you? State what you like most about the career and what you like least about it.

4. Based on what you read about the career you chose, what are three classes that you might take between now and the end of high school that would be important if you wanted to pursue this career?
