

# STEM Careers

Student worksheet

Name: \_\_\_\_\_

Date: \_\_\_\_\_

**Directions:** Read the [Asian American and Native Hawaiian/Pacific Islander Heritage Month](#) blog post. Then answer the questions below.

1. Which of the scientists interested you most? Why?
2. Follow the biography link for the scientist you chose. Read the short biography and write 3 facts you think are interesting about his/her life.
3. Follow the career link for the scientist you chose. Does this career sound interesting to you? State what you like most about the career and what you like least about it.
4. Based on what you read about the career for the scientist you chose, what are three classes that you might take between now and the end of high school that would be important if you wanted to pursue this career?
