# Variables & Hypothesis Worksheet

Name: __________________________

## Variables

**(Fill in the table with the appropriate information from your own experiment)**

<table>
<thead>
<tr>
<th>Independent Variable</th>
<th>Dependent Variables</th>
<th>Controlled Variables</th>
</tr>
</thead>
<tbody>
<tr>
<td>(What will you be changing in the experiment. Note: There should only be one item listed here)</td>
<td>(What will you be measuring or observing)</td>
<td>(What will you be keeping the same during the experiment)</td>
</tr>
</tbody>
</table>

## Your Hypothesis

**(Fill in the blanks with the appropriate information from your own experiment.)**

If 

[**I do this**] ________________________________________________________________

__________________________________________________________________________,

then

[**this**] ________________________________________________________________

__________________________________________________________________________,

will happen.
