

Science Fair Passport

Middle School Version

Name: _____

Grade: _____

Science Teacher: _____

Find six projects that answer the questions below. Fill in all the answers and win a prize. Try to answer each question from a different project.

Write down one project's hypothesis.	Write down the name of a project that featured a pie graph to illustrate results.	What is the most unusual material that you found used in an experiment?
What is one interesting project conclusion that you found?	Write down the name of a project that included photographs to illustrate results.	Write down the name of a project that had at least three experimental trials.

For Science Fair Staff Use Only:

Passport completed? Yes No

Prize awarded? Yes No
